Customers Reviews

Great!
★★★★★
Review by Veronica 11/21/23
I am writing my reviews about this product.

cool and dry
★★★★☆
Review by Lakeisha 3/21/21
What I rally love here is that it does the job of keeping me cool and dry. I'm a big guy and sweat A LOT! Even aft sleeves are very tight - actually bought a second shirt because i split the armpit/sleeve area of the first. Do your

Not great
★★★☆☆
Review by Collette 3/21/21
Not great - buttons are too small and hurt my fingers trying to button it. I've seen better designs...

- The customer can change the avatar on the edit account information page.
